Account Operations

WHAT IS THE GEELONG BANK ACCOUNT AND ACCESS FACILITY?

The Geelong Bank Account and Access Facility is a facility that gives you transaction, savings and term deposit accounts as well as these facilities for accessing accounts:

- rediCARD
- member chequing
- BPAY® (registered to BPAY Pty Ltd ABN 69 079 137 518)
- Osko payments
- telephone and internet banking
- EFTPOS and ATM access
- direct debit requests.

Please refer to the *Summary of Accounts & Availability of Access Facilities* brochure for available account types, the conditions applying to each account type and the access methods attaching to each account type.

HOW DO I OPEN AN ACCOUNT?

You will need to become a member of Geelong Bank before we can issue the Geelong Bank Account and Access Facility to you. To become a member, you will need to:

- complete a membership application form; and
- subscribe for a member share in Geelong Bank.

PROOF OF IDENTITY REQUIRED

The law requires us to verify your identity when you open an account or the identity of any person you appoint as a signatory to your account.

In most cases you can prove your identity by showing us one of the following photo identity documents:

- a State or Territory drivers licence or proof of age card
- an Australian current passport or one that has expired within the last 2 years;
- a national ID card, with photo and signature.

If you do not have photo ID please contact us to discuss what other forms of identification may be acceptable.

The law does not allow you to open an account using an alias without your also giving us all the other names that you are commonly known by.

If you want to appoint a signatory to your account, the signatory will also have to provide proof of identity, as above.

WHAT ACCOUNTS CAN I OPEN?

When we issue you with the Geelong Bank Account and Access Facility, you have access to the Geelong Bank products and services suite. You can then activate other accounts as needed. Please first check the *Summary of Accounts & Availability of Access Facilities* brochure for the different account types available, any special conditions for opening, and the features and benefits of each account type.

JOINT ACCOUNTS

A joint account is an account held by two more persons. The important legal consequences of holding a joint account are:

- the right of survivorship – when one joint holder dies, the surviving joint holders automatically take the deceased joint holder's interest in the account (for business accounts different rules may apply - see Note below)
- joint and several liability – if the account is overdrawn, each joint holder is individually liable for the full amount owing.

You can operate a joint account on an 'all to sign' or 'either/or to sign' basis:

- 'all to sign' means all joint holders must sign withdrawal forms, cheques, etc
- 'either/or to sign' means any one joint holder can sign withdrawal slips, cheques, etc.

All joint account holders must consent to the joint account being operated on an 'either/or to sign' basis. However, any one joint account holder can cancel this arrangement, making it 'all to sign'.

Note: The right of survivorship does not automatically apply to joint business accounts, such as partnerships. A partner's interest in a business joint account would normally pass to beneficiaries nominated in the partner's will or next-of-kin if there is no will.

If you are operating a business partnership joint account, you should obtain your own legal advice to ensure your wishes are carried out.

TRUST ACCOUNTS

You can open an account as a trust account. However:

- we are not taken to be aware of the terms of the trust;
- we do not have to verify that any transactions you carry out on the account are authorised by the trust.

You agree to indemnify us against any claim made upon us in relation to, or arising out of that trust.

WHAT FEES AND CHARGES ARE THERE?

Please refer to the *Fees & Charges and Transaction Limits* brochure for current fees and charges. We may vary fees or charges from time to time.

We will debit your operating account for all applicable government taxes and charges.

WHAT INTEREST CAN I EARN ON MY ACCOUNT?

Our Interest Rates brochure provides information about our current deposit and savings interest rates. Our website also has information about our current deposit and savings interest rates. We may vary deposit or savings interest rates from time to time on all deposit accounts except our term deposit accounts.

Our *Summary of Accounts & Availability of Access Facilities* brochure discloses how we calculate and credit interest to your account.

WHAT ARE THE TAXATION CONSEQUENCES?

Interest earned on an account is income and may be subject to income tax.

DISCLOSING YOUR TAX FILE NUMBER (TFN)

When you apply for the Geelong Bank Account and Access Facility we will ask you whether you want to disclose your Tax File Number or exemption. If you disclose it, we will note your TFN against any account you activate.

You do not have to disclose your TFN to us. If you do not, we will deduct withholding tax from interest paid on the account at the highest marginal rate.

For a joint account, each holder must quote their TFN and/or exemptions, otherwise withholding tax applies to all interest earned on the joint account.

Businesses need only quote their ABN instead of a TFN.

THIRD PARTY ACCESS

You can authorise us at any time to allow another person to operate on your accounts. However, we will need to verify this person's identity before they can access your account.

An authorised person operates on all the accounts you have access to under Geelong Bank Account & Access Facility. You can specify which or your accounts under the Geelong Bank Account and Access Facility you give the authorised person authority to operate on. You are responsible for all transactions your authorised person carries out on your account. **You should ensure that the person you authorise to operate on your account is a person you trust fully.**

You may revoke the authorised person's authority at any time by giving us written notice.

MAKING DEPOSITS TO THE ACCOUNT

You can make deposits to the account:

- by cash or cheque at our office [or any branch]
- by direct credit eg from your employer for wages or salary – please note that we can reverse a direct credit if we do not receive full value for the direct credit
- by transfer from another account with us
- by transfer from another financial institution
- by cash or cheque at a National Australia Bank branch using a specially encoded deposit book
- by cash or cheque at selected ATMs, if your account is linked to an access card
- [via Bank@Post],

unless otherwise indicated in the *Summary of Accounts & Availability of Access Facilities* brochure.

DEPOSITS USING ELECTRONIC EQUIPMENT

We are responsible for a deposit into a facility received by our electronic equipment or a device, from the time you complete the deposit, subject to verification of the amount or amounts deposited.

If there is a discrepancy between the amount recorded as being deposited by the electronic equipment and the amount recorded by us as being received, we will contact you as soon as practicable about the difference.

Note that electronic deposits may not be processed on the same day.

DEPOSITING CHEQUES DRAWN ON AUSTRALIAN BANKS

You can only access the proceeds of a cheque when it has cleared. This usually takes 3 business days [(or if the cheque deposit is via GIROPOST - 5 business days)]. However, you can ask us for a special clearance for which we may charge a fee. Please refer to our *Fees & Charges and Transaction Limits* brochure for our current fee for special clearances.

WITHDRAWING OR TRANSFERRING FROM THE ACCOUNT

You can make withdrawals from the account:

- over the counter at our office [or any branch]
- by direct debit
- by member cheque, if your account is linked to a member cheque book
- via telephone or internet banking
- via BPAY® and Osko to make a payment to a biller
- at selected ATMs, if your account is linked to an access card
- via selected EFTPOS terminals, if your account is linked to a access card (note that merchants may impose restrictions on withdrawing cash)
- [via Bank@Post].

unless otherwise indicated in the *Summary of Accounts & Availability of Access Facilities* brochure.

We will require acceptable proof of your identity before processing withdrawals in person or acceptable proof of your authorisation for other types of withdrawal transactions.

DEBITING TRANSACTIONS GENERALLY

We will debit transactions received on any one day in the order we determine in our absolute discretion. Transactions will not necessarily be processed to your account on the same day.

We have the right to decline to accept your authorisation for any transaction if we are uncertain for any reason of the authenticity or validity of the authorisation or your legal capacity to give the authorisation. We will not be liable to you or any other person for any loss or damage which you or such other person may suffer as a result of our action.

If you close your account before a transaction debit is processed, you will remain liable for any dishonour fees incurred in respect of that transaction

OVER THE COUNTER WITHDRAWALS

Generally, you can make over-the-counter withdrawals in cash or by buying a Geelong Bank corporate cheque. Please check:

- the *Summary of Accounts & Availability of Access Facilities* brochure for any restrictions on withdrawals applying to certain accounts;
- the *Fees & Charges and Transaction Limits* brochure for any applicable daily cash withdrawal limits or other transaction limits.

WITHDRAWALS USING OUR CORPORATE CHEQUES

This is a cheque Geelong Bank draws payable to the person you nominate. You can purchase a corporate cheque from us for a fee: see the *Fees & Charges and Transaction Limits* brochure.

If a corporate cheque is lost or stolen, you can ask us to stop payment on it. You will need to complete a form of request, giving us evidence of the loss or theft of the cheque. You will also have to give us an indemnity – the indemnity protects us if someone else claims that you wrongfully authorised us to stop the cheque.

We cannot stop payment on our corporate cheque if you used the cheque to buy goods or services and you are not happy with them. You must seek compensation or a refund directly from the provider of the goods or services. You should contact a Government Consumer Agency if you need help.

TRANSACTION LIMITS

We limit the amount of daily withdrawals or payments you may make using electronic methods, either generally or in relation to a particular facility. These transaction limits are set out in the *Fees & Charges and Transaction Limits* brochure.

Please note that merchants, billers or other financial institutions may impose additional restrictions on the amount of funds that you can withdraw, pay or transfer.

We may also require you to apply for new transaction limits if you change any pass code. We will require you to provide proof of identity that satisfies us. We may reduce transaction limits to zero for security reasons.

OVERDRAWING AN ACCOUNT

You must keep sufficient cleared funds in your account to cover your cheque, direct debit and electronic transactions. If you do not, we can dishonour the transaction and charge dishonour fees: see the *Fees & Charges and Transaction Limits* brochure.

Alternatively, we can honour the transaction and overdraw your account. We may charge you:

- interest at our current overdraft rate, calculated on the daily closing balance, or
- a fee for each day (or part of a day) your account is overdrawn: see the *Fees & Charges and Transaction Limits* brochure.

‘Cleared funds’ means the proceeds of cheque deposits to your account, once the cheque is cleared, cash deposits and direct credits.

SWEEP FACILITY

You may nominate an account (the first account) which is to have either a nominated minimum balance or to be maintained in credit. You may then nominate a second account, which authorises us to transfer, automatically, sufficient funds to keep the first account in credit. However, we are not obliged to transfer funds if there are insufficient funds in the second account to draw on.

ACCOUNT STATEMENTS

We will send you account statements at least every 6 months. You can ask us for an account statement at any time. We may charge a fee for providing additional statements or copies: see the *Fees & Charges and Transaction Limits* brochure.

We can also provide your statements electronically. Please ask us about this facility.

We recommend that you check your account statement as soon as you receive it. Immediately notify us of any unauthorised transactions or errors. Please refer to *How to Contact Us* on page 2 for our contact details.

WHAT HAPPENS IF I CHANGE MY NAME OR ADDRESS?

We recommend that if you change your name or address, you let us know immediately.

DORMANT ACCOUNTS

If no transactions are carried out on your account for at least 12 months (other than transactions initiated by Geelong Bank, such as crediting interest or debiting fees and charges) we may write to you asking if you want to keep the account open. If you do not reply we will treat your account as dormant.

Once your account becomes dormant, we may:

- charge a dormancy fee;
- stop paying interest or reduce the amount of interest.

If your account remains dormant for 7 years, we have a legal obligation to remit balances exceeding \$500 to the Australian Securities and Investment Commission as unclaimed money.

ACCOUNT COMBINATION

If you have more than one account with us, we may apply a deposit balance in any account to any other deposit account in the same name which is overdrawn.

On termination of your membership, we may combine all your accounts (whether deposit or loan accounts) you have with us provided the accounts are all in the same name.

We will not combine accounts if to do so would breach the Code of Operation for Centrelink Direct Credit Payments.

We will give you written notice promptly after exercising any right to combine your accounts.

CLOSING ACCOUNTS AND CANCELLING ACCESS FACILITIES

You can close the Geelong Bank Account and Access Facility at any time. However, you will have to surrender your member cheque book and any access card at the time. We may defer closure and withhold sufficient funds to cover payment of outstanding cheque, electronic transactions and fees, if applicable.

You can cancel any access facility on request at any time.

We can:

- close the Geelong Bank Account and Access Facility in our absolute discretion by giving you at least 14 days notice and paying you the balance of your account; or
- cancel any access facility for security reasons or if you breach these Conditions of Use.

COMPLAINTS

We have a dispute resolution system to deal with any complaints you may have in relation to The Geelong Bank Account and Access Facility or transactions on the account. Our dispute resolution policy requires us to deal with any complaint efficiently, speedily and sympathetically. If you are not satisfied with the way in which we resolve your complaint, or if we do not respond speedily, you may refer the complaint to our external dispute resolution centre.

If you want to make a complaint, contact our staff at any branch and tell them that you want to make a complaint. Our staff have a duty to deal with your complaint under our dispute resolution policy. Our staff must also advise you about our complaint handling process and the timetable for handling your complaint. We also have an easy to read guide to our dispute resolution system available to you on request.

MEMBER CHEQUING

Member chequing allows you to make payments by cheque. We will issue you with a cheque book and authorise you to draw cheques on our account at the National Australia Bank or another Bank as we chose. We will debit your account for the value of cheques you draw.

If you have insufficient funds in your nominated account we may instruct the Bank to dishonour your cheque. However, we have a discretion to allow the cheque to be paid and to overdraw your account for this purpose. If you overdraw your account, we may charge you interest and fees. Please refer to the section Overdrawing An Account on page 8.

We may not give you access to member chequing if your banking history with Geelong Bank is not satisfactory or if you are under 18 years of age.

DIRECT DEBIT

You can authorise a participating biller to debit amounts from your account, as and when you owe those amounts to the biller. The biller will provide you with a Direct Debit Request (DDR) Service Agreement for you to complete and sign to provide them with this authority.

To cancel the DDR Service Agreement, you can contact either the biller or us. If you contact us we will promptly stop the facility. We suggest that you also contact the biller.

If you believe a direct debit initiated by a biller is wrong you should contact the biller to resolve the issue. Alternatively, you may contact us. If you give us the information we require we will forward your claim to the biller. However, we are not liable to compensate you for your biller's error.

We can cancel your direct debit facility, in our absolute discretion, if 3 consecutive direct debit instructions are dishonoured. If we do this, billers will not be able to initiate a direct debit from your account under their DDR Service Agreement. Under the terms of their DDR Service Agreement, the biller may charge you a fee for each dishonour of their direct debit request.

PAYPAL

When you use PayPal you are authorising PayPal to debit amounts from your account as a biller under Direct Debit. Please note that:

- you are responsible for all PayPal debits to your account
- if you dispute a PayPal debit, you can contact PayPal directly or ask us to do so
- we are not responsible for compensating you for any disputed PayPal debit, or for reversing any disputed PayPal debit to your account
- if you want to cancel your direct debit arrangement with PayPal, you can contact PayPal directly or ask us to do so
- when you ask us to pass on a disputed transaction to PayPal, or your request to cancel your direct debit arrangement with PayPal, we will do so as soon as practicable but we are not responsible if PayPal fails to respond as soon as possible or at all.

Other third party payment services may operate in a similar way to PayPal.

- (a) \$150, or a lower figure determined by us
- (b) the balance of the facility or facilities which we and you have agreed can be accessed using the device and/or pass code, including any prearranged credit
- (c) the actual loss at the time that the misuse, loss or theft of a device or breach of pass code security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily transaction or other periodic transaction limit.

5.6. In deciding whether on the balance of probabilities we have proved that a user has contributed to losses under clauses 5.2 and 5.4:

- (a) we must consider all reasonable evidence, including all reasonable explanations for the transaction occurring

- (b) the fact that a facility has been accessed with the correct device and/or pass code, while significant, does not, of itself, constitute proof on the balance of probability that a user contributed to losses through fraud or a breach of the pass code security requirements in Section 6
- (c) the use or security of any information required to perform a transaction that is not required to be kept secret by users (for example, the number and expiry date of a device) is not relevant to a user's liability.

Section 6. PASS CODE SECURITY REQUIREMENTS

- 6.1. Section 6 applies where one or more pass codes are needed to perform a transaction.
- 6.2. A user must not:
 - (a) voluntarily disclose one or more pass codes to anyone, including a family member or friend
 - (b) where a device is also needed to perform a transaction, write or record pass code(s) on a device, or keep a record of the pass code(s) on anything:
 - (i) carried with a device
 - (ii) liable to loss or theft simultaneously with a deviceunless the user makes a reasonable attempt to protect the security of the pass code
 - (c) where a device is not needed to perform a transaction, keep a written record of all pass codes required to perform transactions on one or more articles liable to be lost or stolen simultaneously, without making a reasonable attempt to protect the security of the pass code(s).
- 6.3. For the purpose of clauses 6.2(b)–6.2(c), a reasonable attempt to protect the security of a pass code record includes making any reasonable attempt to disguise the pass code within the record, or prevent unauthorised access to the pass code record, including by:
 - (a) hiding or disguising the pass code record among other records
 - (b) hiding or disguising the pass code record in a place where a pass code record would not be expected to be found
 - (c) keeping a record of the pass code record in a securely locked container
 - (d) preventing unauthorised access to an electronically stored record of the pass code record.This list is not exhaustive.
- 6.4. A user must not act with extreme carelessness in failing to protect the security of all pass codes where extreme carelessness means a degree of carelessness that greatly exceeds what would normally be considered careless behaviour.

Note 1: An example of extreme carelessness is storing a user name and pass code for internet banking in a diary, BlackBerry or computer that is not password protected under the heading 'Internet banking codes'.

Note 2: For the obligations applying to the selection of a pass code by a user, see clause 6.5.
- 6.5. A user must not select a numeric pass code that represents their birth date, or an alphabetical pass code that is a recognisable part of their name, if we have:
 - (a) specifically instructed the user not to do so
 - (b) warned the user of the consequences of doing so.

- 6.6. The onus is on us to prove, on the balance of probability, that we have complied with clause 6.5.
- 6.7. Where we expressly authorise particular conduct by a user, either generally or subject to conditions, a user who engages in the conduct, complying with any conditions, does not breach the pass code security requirements in Section 6.
- 6.8. Where we expressly or implicitly promote, endorse or authorise the use of a service for accessing a facility (for example, by hosting an access service on our electronic address), a user who discloses, records or stores a pass code that is required or recommended for the purpose of using the service does not breach the pass code security requirements in Section 6.

Section 7. LIABILITY FOR LOSS CAUSED BY SYSTEM OR EQUIPMENT MALFUNCTION

- 7.1. You are not liable for loss caused by the failure of a system or equipment provided by any party to a shared electronic network to complete a transaction accepted by the system or equipment in accordance with a user's instructions.
- 7.2. Where a user should reasonably have been aware that a system or equipment provided by any party to a shared electronic network was unavailable or malfunctioning, our liability is limited to:
 - (a) correcting any errors
 - (b) refunding any fees or charges imposed on the user.

Section 8. NETWORK ARRANGEMENTS

- 8.1. We must not avoid any obligation owed to you on the basis that:
 - (a) we are a party to a shared electronic payments network
 - (b) another party to the network caused the failure to meet the obligation.
- 8.2. We must not require you to:
 - (a) raise a complaint or dispute about the processing of a transaction with any other party to a shared electronic payments network

- Note: Under the ePayments Code, the receiving ADI must within 5 business days:*
- (i) acknowledge the request by the sending ADI for the return of funds, and
 - (ii) advise the sending ADI whether there are sufficient funds in the account of the unintended recipient to cover the mistaken internet payment.
- 9.4. If we are not satisfied that a mistaken internet payment has occurred, we will not take any further action.
- 9.5. We must inform you of the outcome of the reported mistaken internet payment in writing and within 30 business days of the day on which the report is made.
- 9.6. You may complain to us about how the report is dealt with, including that we and/or the receiving ADI:
- (a) are not satisfied that a mistaken internet payment has occurred
 - (b) have not complied with the processes and timeframes set out in clauses 9.2-9.5, or as described in the box below.
- 9.7. When we receive a complaint under clause 9.6 we must:

- 18.3. We cannot effect your BPAY instructions if you do not give us all the specified information or if you give us inaccurate information.

- 19.6. A BPAY payment is treated as received by the biller to whom it is directed:

(a) on the date you direct us to make it, if we receive your direction by the cut off time on a banking business day, that is, a day in Sydney or Melbourne when banks can effect settlements through the Reserve Bank of Australia; and

(b) otherwise, on the next banking business day after you direct us to make it.

- 21.2. We are not liable for any consequential loss or damage you suffer as a result of using BPAY, other than loss due to our negligence or in relation to any breach of a condition or warranty implied by the law of contracts for the supply of goods and services which may not be excluded, restricted or modified at all, or only to a limited extent.
